**NUKU Museum takes you to the fairy-tale world of theatre!**

Visit the NUKU Museum and discover how material can become a theatrical means of expression, a character or the scenery. Learn about different puppet types and try to animate them; take a trip through the history of theatre and try what happens if you put on a mask or step behind a shadow screen. The museum introduces various theatrical professions from puppeteers and directors to stage technicians and lighting designers. NUKU Museum hosts puppet performances, workshops, meetings with actors, classes for school children, birthday parties and much more!
